

# HERITAGE SHEEP & GOAT FEEDS

## 16% LAMB START & GROW

A FEED CONCENTRATE FOR STARTING AND GROWING LAMBS.

### GUARANTEED ANALYSIS

Crude Protein (min.)	16.00%		
<small>(This includes not more than 1.25% equivalent crude protein from non-protein nitrogen (NPN).)</small>			
Crude Fat (min.)	3.00%	Salt (max.)	1.40%
Crude Fiber (max.)	18.00%	Salt (min.)	0.90%
Acid Detergent Fiber (max.)	25.20%	Selenium (min.)	0.60 ppm
Calcium (min.)	0.90%	Vitamin A (min.)	7,500 IU/lb.
Calcium (max.)	1.40%	Vitamin D (min.)	750 IU/lb.
Phosphorous (min.)	0.30%	Vitamin E (min.)	40 IU/lb.

### FEEDING DIRECTIONS

Feed at a rate of 1-3% of bodyweight per head per day along with good quality forage and pasture. Vaccinate for enterotoxemia (overeating disease). Always start lambs on grain at reduced levels to provide an adjustment period, then gradually increase grain intake. Provide free choice roughage, mineral and clean, fresh water at all times.

## GOAT FEED PLUS

A COMPLETE FEED CONCENTRATE FOR GROWING, FINISHING, AND MATURE GOATS

### GUARANTEED ANALYSIS

Crude Protein (min.)	14.00%		
<small>(This includes not more than 2.0% equivalent crude protein from non-protein nitrogen (NPN).)</small>			
Crude Fat (min)	2.0 %	Salt (NaCl) (min)	0.1 %
Crude Fiber (max)	24.0 %	Salt (NaCl) (max)	0.6 %
ADF (max)	33.6 %	Copper (Cu) (min)	13 ppm
Calcium (CA) (min)	1.2 %	Copper (Cu) (max)	23 ppm
Calcium (CA) (max)	1.7 %	Selenium (Se) (min)	0.3 ppm
Phosphorus (P) (min)	0.4 %	Vitamin A (min)	3,500 IU/lb

### FEEDING DIRECTIONS

Feed as the sole diet to finishing goats. Feeding rate will vary depending on animal weight and condition, forage quality and quantity, desired rate of weight gain and other management factors. Provide adequate amounts of hay or pasture, fresh, clean water, and free choice mineral at all times.

## FEATURES AND BENEFITS

- For customers seeking the convenience of having one feed to start and grow lambs to market weight.
- Designed specifically for sheep - balanced and nutrient dense for rapid and efficient weight gains.
- Promotes health and wellness:
  - Ammonium Chloride added for prevention of urinary calculi (NPN statement on label)
  - No added copper
- Perfect choice for growing sheep targeted towards specialty meat markets
- Available in bag or bulk

## FEATURES AND BENEFITS

- For customers seeking the convenience of having one feed to start and grow goats to market weight.
- Designed specifically for goats- balanced and nutrient dense for rapid and efficient weight gains.
- Promotes health and wellness:
  - Ammonium Chloride added for prevention of urinary calculi (NPN statement on label)
